Dear Ms. Kelly:

Thank you for discussing the ASCAP License Agreement during our recent conversation. As I mentioned, ASCAP is the world's largest performing rights licensing organization, representing over eight million copyrighted musical works. We have more than 417,060 songwriter and publisher members and agreements with international affiliated societies representing over 100 territories worldwide.

Our repertory spans the entire musical spectrum, from Rock to Rap, Country to Broadway, Jazz to Adult Contemporary, Latin, Blues, Techno/Underground, R&B, Pop, Alternative Rock, Christian, Gospel, Symphonic and Concert, World Music, and many others.

The advantage of our agreement is that it clears the rights to perform our members' works in a variety of ways commonly used by cities and municipalities:

- Festivals,
- Parades,
- Street Dances,
- Recreation centers,
- Music on hold, and
- Concerts

ASCAP and the International Municipal Lawyers Association jointly developed the license, designed to cover public performances of ASCAP music by local governments (such as municipalities, towns and counties). A spirit of goodwill marked the negotiations, with both parties expressing satisfaction that the agreement provides an efficient and affordable method for local governments to comply with the law while recognizing the rights of ASCAP's composers, lyricists and publishers.

Additional information regarding this license may be found at the IMLA website (www.imla.org). We are also enclosing an informative brochure that explains ASCAP and the agreement.

To enter into a license agreement with ASCAP, please sign and return the enclosed agreement together with a completed report form and the full annual fee. Upon receipt, the license will be countersigned with a copy returned for your records.

Should you have any questions, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Michele McKinney".
