Approved by Council on 11/15/11.

If amounts set forth above were paid for the PUD to permanently connect a new single-phase secondary service at the service address(es) indicated, this is also a receipt for all interest in any customer installed secondary service conductor, intended to be maintained by the pud, between the PUD's primary distribution system and the delivery point. Ownership of this conductor is transferred and conveyed to satisfy a condition required by the PUD's Line Extension Regulations for receiving electric utility service.

Providing quality water, power and service at a competitive price
Toll-free in Western Washington at 1-877-783-1000, ext. 8272 FAX (425) 783-8650 www.snopud.com
