TO: AWC Drug & Alcohol Consortium Members  
FROM: Deanna Krell, Human Resources Programs Supervisor  
SUBJECT: **Invoice - 2012 Annual Membership and Random Testing Fee**

Enclosed is the invoice for your continued participation in the AWC Drug & Alcohol Consortium for 2012. Also enclosed is the 2012 Member Rates sheet. Please note that the 2012 fees include minor increases for both city members and non-city members.

The total amount due reflects the annual membership fee plus the random testing fee. The random testing fee is calculated by multiplying the number of employees subject to random selection by the per employee testing fee.

We recently requested a list of all jurisdiction employees subject to random drug & alcohol testing, and provided those lists to our new random testing vendor, A WorkSafe Service, Inc. If your number of randomly tested employees for 2012 (including vacant positions) is different than what is reflected on this invoice, please indicate the correct number on the invoice and pay accordingly. You will also need to fax any random pool updates to A WorkSafe Service, Attn: Mike Bliven, 1-503-316-9110.

Please return your payment to the Association of Washington Cities by **February 24, 2012**. If you have any questions regarding the enclosed invoice or the Drug & Alcohol Program, please feel free to contact me at 360-753-4137 or [deannak@awcnet.org](mailto:deannak@awcnet.org).
